Overthrow What Government?

I am dictating this in San Francisco, where we held a Nazi rally yesterday, October 22, in front of City Hall.

The Communists in the Longshoremen's Union, the Reds at the colleges around San Francisco and the human scum which abounds in this ultra-liberal city, led by Jew agitators, openly announced they were coming down by the thousands to "stop" us. The police, too, warned us that the vast, Communist mobs would be dangerous. I tried my best to convince the police the only way to control such violent mobs was with a massive show of force, plus instant and stern use of that force, at the first sign of mob attack.

Believe it or not, the police solemnly assured me that they knew better; that it was best not to have any uniformed police present. "Better not to irritate the crowd", the police claimed.

So that's the way we started--with no police around the area even though police had called me urgently four hours before the rally and begged us to come down and get set up early since they weren't sure, otherwise, they could even get us in to our speaking place.

Even getting down there early, we wouldn't have lasted the first two hours of waiting for rally time, had we not had 26 uniformed Stormtroopers ringing our camper-speaking platform. The Jews, Communists and scum (many waving "love" and "brotherhood" signs) began to spit and try all usual methods of starting a riot which they could then blame on us (as they have so often done). A herd of ape-like blacks arrived and shoved thier ugly gorilla faces directly into the faces of my young Stormtroopers, yelling filthy threats and doing everything possible to provoke us into violence. Our boys, showing almost perfect discipline, stood like a ring of cold and silent steel around the camper.

Finally, after the ugly crowd had been doing everything possible to provoke a riot for more than an hour, two traffic officers appeared and, believe it ot not, started to give us a ticket for parking in a "No Parking" zone! Even though we had a permit to be on that spot!

The traffic officers were finally persuaded that we had the permit to be there so they sat in their car letting the mob rage on for a good while longer.

When some in the mob began to actually push against our ring of Stormtroopers, the two traffic of-

ficers, obviously unhappy, finally got out and tried to move the crowd back.

They hollered for more police who appeared in due time--about 10 or 15 minutes more. As the crowd got bigger and bigger and uglier and uglier, the police kept adding a few more and a few more--all just regular traffic cops--no helmets, no sticks and only a few of them at a time.

Finally there were thousands of the same kind of riotous scum who tore up the House Committee hearings here in San Francisco behind the camper organized into a Communist-Jew-nigger army with bullhorns and leaders and sub-leaders. We could hear them organizing and giving military orders to the Red troops preparing to rush us with their massed thousands of scum.

All this while, the police kept coming on with a little more and a little more force, finally getting out their riot helmets and sticks. Then, after the crowd had already blocked off the street and almost surrounded the camper and our brave lads guarding it, they put up ropes. The Jew agitators stirred the Reds to a frenzy, and they began to burst through the ropes. Cops beat on some, much to our satisfaction, and managed to slow them down a bit. Meanwhile, a few more cops began to arrive.

Police asked me to start speaking early to make it easier on them. I did, but the result was that the mob went wild, throwing rocks, bottles and eggs in a wheezing barrage all around my head, going both ways. The massed thousands of Reds kept up such a roar that even our powerful loudspeakers could not be heard. Many windows of the camper were knocked out, one by an attacker who boldly rushed up with a bottle and bashed it out. A Stormtrooper got this ugly Jew. He was carried away.

I had not been able to get out a word that people could hear, when the cops climbed up on top of the camper and ordered me to "take off", although we had the permit to speak, and the mob was violently breaking the law! Because I am facing trial in Chicago, I was forced to comply (although every other time we have insisted on our right to speak). The police had arrested four or five of the mob who had attacked police, bashed out our windows and rushed the police lines. They put these Reds in a van to be taken to jail. So the mob attacked the police van, rocked it and threatened to burn it if the prisoners were not released. So the cops LET THEIR PRISONERS GO!!

Why do I write all this--which has become a routine story to us in this "free" America--when police regularly are forced to crawl before Communists and black terrorist mobs?

Because this was the most classic case I have ever seen of what is utterly destroying our nation and our society.

Have you ever watched a foolish parent dealing with an utterly spoiled and vicious kid--a kid who screams, has tantrums, and even attacks his parents and visitors? Have you ever observed the way the parent will continuously and forever threaten the kid, but never carry out any of the threats; and how when such parents finally must do something it is always too little and too late?

That's exactly what the police did yesterday in San Francisco, and what our government is doing not only with the spoiled "brat" minorities here but all over the world! A war we could have won in Vietnam (a place no bigger than Connecticut) in two weeks, had we acted decisively and vigorously, is dragging on for years and years and costing thousands of lives because the U. S. A. hasn't got the guts to use the force available to it to do what it thinks is right.

WHITE POWER!

30 Cars Set Afire, Scores Are Arrested

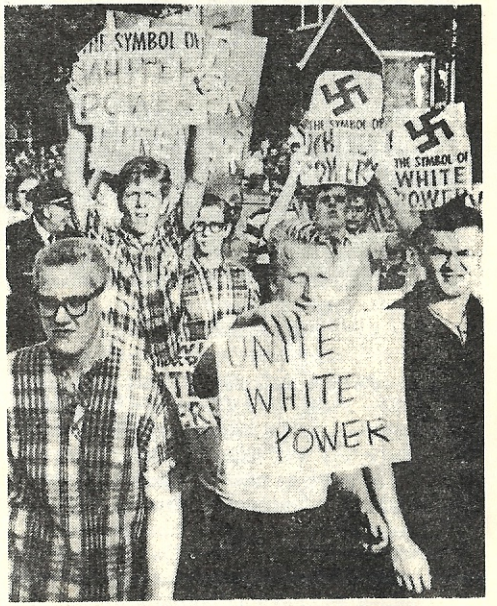
Fires started by gangs of white youths burn through cars of civil rights marchers in Chicago

The racial battle that occurred in Chicago this past summer will go down in the pages of White people's history as the turning point in the war against the Black revolution in America.

Martin Luther King, nigger leader of the oppressive forces of communistic revolution and race-mixing, had announced to the nation that he was bringing his black gang of bandits and agitators north to Illinois to turn Chicago into an "open city" for niggers. King and his army of black scum were met with immediate resistance from thousands of White working people throughout the city of Chicago. To the White people of Chicago, an "open city" means the end of White neighborhoods and the destruction of their homes for which they worked so hard all their lives to earn.

Until he came to Chicago, Martin Luther Coon had gotten away clean with his trouble-making riots and marches in other parts of the country. In Chicago, Dr. Coon came face to face with White working people who refused to run away from the fight. In Chicago, for the first time since the beginning of the civil rights revolution, White working people stopped running, and started fighting back! Violence erupted throughout the city as angry and enraged White people fought to defend their homes and neighborhoods from the filthy black slum invasion.

The following diary is an account of the most important events surrounding the defense of Chicago by the White working people and how the American Nazis spearheaded the fight against the communist Black attack.



July 30: The nigger marchers from Martin Luther Coon's organization, along with white beatnik scum gather at Marquette Park to begin their march into white areas. Mar-

Police force a white man to the ground in Chicago's Gage Park during marches in the city by civil rights demonstrators. 2,000 whites, carrying Nazi banners, threw stones and cherrybombs and jeered.

CAPT. JOHN PATLER (arrow) SPEAKING AT MARQUETTE PARK IN CHICAGO.

quette Park is located in a residential white area. The homes are clean and well kept. The White people are hard workers, who have worked most of their lives to own a beautiful little home and some property. As the niggers begin their march, thousands of White people--men, women and youths--swarm into the park. They overturn every automobile driven into the park by nigger marchers and set the cars on fire. All cars bearing the "Union to End Slums" stickers are singled out as special targets and overturned and set on fire. Ice picks and single edge razors are used to puncture and slash tires. Some youths squirt lighter fluid under engines and set the fluid on fire. Other cars were turned over and leaking gas put to flame!

Nazi swastika in Chicago's Marquette Park.

Thirty nigger automobiles are set on fire this evening. The night is bright with burning cars. During future demonstrations the niggers make sure to leave the stickers off their parked cars.

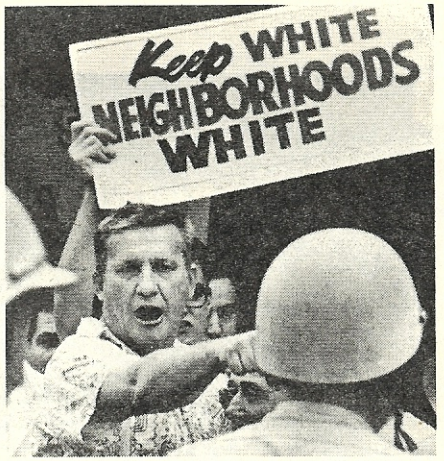
The niggers claim that all they want is to move into clean White neighborhoods since their own neighborhoods are slums. But, niggers are not slum dwellers .... they are slum creators. All nigger neighborhoods were originally clean places to live until the niggers moved in and turned them into slums. A home is what its occupants make it. If you are a pig and live like a pig, your home will be a pig pen. White people work hard and break their back keeping their homes neat and clean and they are not about to let a bunch of filthy niggers destroy all their hard work. The niggers don't want "civil rights"; they want "special rights".

The following week is filled with more violence. Niggers find it more and more difficult to march. Hostility and resistance to the black invasion increases. Every nigger demonstration brings out larger crowds of angry White people. The White people are united. Everywhere we go, we see White men and women greeting one another with cries of "White Power!"

Chris Vidnjevich, Chicago leader of the American Nazis, organizes marathon literature distributions throughout White working districts. He and his men meet, talk and plan further defensive measures against the Black filth. Hundreds of people stop by the headquarters building at 1314 W. Ohio Street to offer their help and donations. The phone hardly stops ringing. Newsmen are in and out of the HQ building every day.

In Arlington, we tune in the news on TV just as nigger cars are being burned. We immediately think it is the niggers gone crazy with another Watts-type riot. When we hear the announcer say it is nigger cars that are being burned by White mobs, we spontaneously leap up and applaud. Now the niggers are getting a taste of their own medicine.

August 15: Commander Rockwell orders Captain John Patler to Chicago for duty. Captain Patler arrives and is met at O'Hare Airport by Captain Vidnjevich and other Party comrades. That same afternoon, the niggers march in an area known as Gage Park. We arrive early and distribute thousands of White Power signs and swastika posters. The youth eagerly grab up our posters. Older people come up to us and also ask for literature and posters. We announce a giant rally at Marquette Park that same evening. The niggers arrive and are met with thousands of swastikas and White Power signs waved in their faces. The coons don't look very happy. Throughout the march, the niggers and White faggots marching with them are surrounded and protected by hundreds of helmeted policemen. Bottles are hurled. Bricks are thrown--many reaching their targets. Some smart niggers are wearing helmets to protect their heads. Several White marchers are dressed as priests and preachers. They are singled out for special abuse by White youth who shout "Fake priest! Fake preacher!" Police spies dressed in civilian clothes mingle with the White crowds to catch anyone throwing rocks or bottles. Several youths are arrested by police spies. When an arrest is made by a spy, the crowd gets real mean. The spies are exposed and the crowd hurls insults, and trys to attack a spy who arrested a White woman. For the most part, the police appear to be sympathetic with the White crowds, even smiling and joking with us. The police hate what they have to do, but it is their job and they operate on orders from sell-out politicians who are in office because of the nigger vote. Dozens of arrests are made today. At one point, over two hundred White men, women and teenagers stage a sit-down in the path of the nigger march. The police move in and disperse the youths.



Thanks to an enormous amount of police protection, the niggers survive this day.

This evening, we gather at Marquette Park for the rally. Over 2,000 people are waiting. A caravan of 70

Angry, Rock-Throwing Whites Harass Marchers in Chicago

The parade of 200 civil rights workers at Gage Park had barely ended when the trouble began at Marquette Park.

1,000 Cheer Motorcycles

Some 70 motorcycles, adorned with American flags, streamed into the park and were applauded by more thn a thousand persons who had gathered to protest the demonstration at Gage Park and to hear a representative of the American Nazi Party.

Fewer than a dozen policemen stationed at the park were taunted by the crowd.

John Patler of the American Nazi Party stood on a park bench urging the white crowd to assert itself.

"Japan is controlled by the Japanese, Israel is controlled by the Jews and America should be controlled by the whites," Patler shouted.

With each reference to Negroes by Patler, the crowd screamed:

"White power White power! White power!"

The white hostility was evident among the thousands of spectators at the protest marches, but police, numbering almost one per demonstrator, restrained the jeering, stone-and bottle-tossing crowds.

motorcycles and cars decked out with American flags and swastikas come roaring into the park with their lights on. It is a marvelous sight. Words cannot be found to describe this scene. The autos are packed full with people shouting slogans against the niggers, horns are blasting wide open, cycles are reving their engines. Flags are whipping in the wind and as the procession passes, Captain John Patler leaps on a park bench in the middle of the huge crowd and the rally begins. As he speaks, Patler is applauded and cheered over and over. The crowd joins in a cry of "White Power!" at Patler's urging. Over and over, the crowd of thousands yell for "White Power!" The ground literally trembles and shakes with the mighty roar of thousands, as this mass of White humanity raises its voice and shouts for all Chicago to hear.

At the end of the rally, some nigger cops push and slap several White women. This incident incites the White crowd and they begin to attack the police. Police find themselves the targets of bricks, bottles and White fists. Police rush the crowd, shooting their guns in the air.

Nazis Plan Anti-Negro March

One policeman remarks later that it was the closest thing he has ever seen to open warfare. Two policemen are hurt, 13 Whites are arrested. It is a serious mistake to permit nigger cops to push White people around. This only angers White crowds and sparks riots. The nigger cops are especially brutal and vicious in clubbing and arresting White people.

The remainder of the week is filled with more nigger marches and more White resistance. Police are more efficient now, and handle the situation much better. On a street corner in Gage Park we witness a glimpse of things to come. Two hundred White youths are gathered on the corner of the park, with rocks, bricks and empty bottles in their hands. The crowd of White guys faces a main boulevard, heavily travelled by automobiles. The White youths permit all cars occupied by White people to pass. The "color of your skin" at this particular moment is your "uniform". So long as you are White, you are permitted to pass unharmed. The moment a car passes with nigger occupants, the crowd goes wild, hurling bricks, stones and bottles. The nigger cars are demolished. Windows busted out, tires slashed, niggers dragged from their cars and beaten. This is race war on a small scale and a sample of what is yet to come.

Aug. 19: Captain Chris Vidnjevich leads a picket detail of six men into the worst nigger section of Chicago. We expect to be attacked. The picket takes place in front of an "action center" where Martin Luther King is holding a nigger march rally. We are surrounded by more than a thousand niggers. We expect to be attacked and second, but the attack never comes. We picket for 45 minutes and the sun sets on us in the nigger section. Only three cops are detailed at the scene. Newsmen and cameramen surround Vidnjevich for interviews. We make it big on TV that night. After the picket, we can hardly believe we made it without a scratch. We expected this to be a "suicide mission". Next day, visitors and callers congratulate us for our bravery. The police thought we were "crazy" to go into that neighborhood. Nigger gangs are active in the area and murder and assaults are the order of the day.

August 21: Commander Rockwell arrives in Chicago to participate in a giant outdoor rally we plan in Marquette Park. Literature announcing the rally is distributed throughout the city.

August 22: The camper is driven into Marquette Park for the rally. We hang up a gigantic swastika with the slogan "White Power" that can be seen for a distance of more than three city blocks. The people begin to appear. Slowly but surely, the crowd grows to well over 2,000. John Patler and Chris Vidnjevich climb to the top of the camper and begin to speak. They are loudly applauded and cheered. Captain Patler introduces the Commander and the crowd goes wild with applause. Soon, the crowd is silent, and the Commander begins to speak.

For more than an hour and a half the Commander speaks. Time and again, the crowd bursts out with cheers and applause. The Commander has reached their hearts. This is the man they have been waiting for. Here is the man they can trust and love and follow. He doesn't lie to them; he tells them the truth. And the people love him. As he finishes, the crowd rushes forward. Men reach out to grasp his hand. Women and children, many with tears in their eyes, embrace him. It is the greatest sight in the world. After years of hunger, jailings, beatings and persecution, we have arrived at this one great moment in the struggle. Moments ago, this crowd of people were strangers. Now they are one people, united as White brothers and sisters before the Party banner.

In the evening, we hold a meeting at our headquarters. The meeting hall is jam-packed, standing room only. Over 200 people cram into the hall to hear Vidnjevich, Patler and the Commander. Hundreds of people promise to join our march. We meet a beautiful and talented songstress and her charming family. They all promise to participate in the White people's march into the nigger ghetto. Just about everyone contributes generously that evening. Supporters whom we had not seen for years drop by.

We meet a bunch of White gang leaders. They tell us of how all the White gangs fought against one another until the niggers started marching. The nigger marches helped unite them as brothers against a common enemy. Now they fight together against the Black invasion.

That same evening, Sheriff Ogilvie of Cook County announced to the press that he would arrest Commander Rockwell on sight if he dared to come to Cicero. Asked on what charges, Ogilvie replied "I'll think of some!" Sheriff Ogilvie is surrounded with Jewish assistants.

August 23: Martin Luther Coon leads less than 200 coons and White trash into the Southeast side of Chicago. He is heavily protected by police. The niggers encounter tremendous White resistance. White people

DOLLARS FOR NAZIS—George Lincoln Rock well (dark glasses) leader of the American Nazi Party, clutches dollar bills showered on him by spectators after a speech in racially troubled Chicago. Meanwhile, civil rights lead er Dr. Martin Luther King has refused to call off a march into the Chicago suburb of cicero Sunday and worried authorities, who called the march "suicidal" are considering seeking National Guard help.

hurl bottles and rocks at the shines. The niggers have announced they will march in Cicero. Governor Otto Kerner deliberates on an appeal to call out the National Guard. Cicero is one of the toughest White sections of Chicago. A nigger family that once tried to move into Cicero had their house torn apart piece by piece by enraged Whites. Cicero is a 100% White community.

August 28: King calls off his planned march into Cicero. He uses the threat of a march and the inevitable violence it would produce as "black mail", giving the sell-out politicians like Mayor Daley an excuse to surrender to nigger demands for "open housing". The people suspect a conspiracy. Other nigger groups, such as CORE, led by Robert Lucas, refuse to go along with the deal and announce they will march into Cicero anyhow.

Cicero officials give in to nigger demands and say they will allow them to march without a permit. An American Nazi request to hold a rally at the Court House steps is denied.

CORE and other nigger groups march into Cicero with about 200 coons protected by more than 3,000 National Guardsmen and police. 42 White people are arrested and six White people are bayoneted. It is disgusting to see White men fighting each other for the niggers' benefit.

The Jew city councilman, Jack Sperling, introduces unconstitutional legislation to outlaw the swastika and Nazi propaganda. The Jews have now entered the battle in full-swing. They are scared to death of our recent victories and begin to apply their powerful pressure.

For weeks to come, the Jews and the news media and the phony priests and preachers and other so-called "responsible" citizens make an urgent, city-wide appeal to White citizens to not have anything to do with the Nazi "hate mongers". These same so-called "responsible" citizens were the very same characters who have been urging the White people of Chicago to tolerate the marches and to live with the niggers. The people ignore the appeal. The newspapers, TV and radio blast forth regularly with lies that the Nazis murdered millions of Polish people and Slavic people during World War II. Every attempt is made to turn the people against us. But, the people are not fooled by the lies from the press.

August 30: Commander Rockwell is arrested by Sheriff Ogilvie while the Commander visits the Sheriff to find out why he is to be arrested "on sight!". That same day, we are served with notice by the Jew War Veterans that they have entered a suit asking for a permanent injunction against the Party and its officers in Federal Court. The Commander, Captains Patler and Vidnjevich are named in the suit, among others. The Jews do not want the planned Nazi march on September 10 to take place. They ask the judge to deny Nazis the right to march. The Jew request is turned down. The Jew War Veterans do nothing about communistic nigger marches. They only want to stop the Nazis who are opposed to the commies.

Chris Vidnjevich

The remainder of the week is full of regular Party activity--organizing, distributing and picketing Mayor Daley's office demanding his resignation.

The Party is infiltrated by a newspaper spy named Mike McGovern. Such spies do not hurt us since we have nothing to hide and we do nothing illegal. Party Member James Hahnenberg receives six stitches in the head as a result of a scuffle with photographers from the newspaper that the spy represents.

A detatchment of men from National Headquarters arrives at the Chicago HQ. Everyone is busy making preparations for the march. We silk screen boxes of T-shirts, make up signs, meet with police to make arrangements, etc. The whole headquarters building is alive with activity.

Sept. 10: The great day is here! The Nazi march is to begin at noon. We are denied a permit to hold a

rally. With a rally, we were sure to attract upwards of 3,000 people. Since the rally is cancelled, we must begin early with those who show up during the first half hour. Over 600 people show up--men, women and youth. One lady brings her little baby whom she carries the entire 3-mile route of the march. Others show up with home made signs. One such sign declares "Welcome Rockwell, savior of the Whites!" The signal is given by the Commander and we march out of Gage Park toward the nigger ghetto. Less than one block away, the march is halted by police and the Commander is arrested. Also arrested is Captain

Forbes, who came all the way from California to march. The politicians waited until the march began to arrest the Commander hoping to kill the march. They were unaware of our Chain of Command. Captain John Patler and Chris Vidnjevich immediately assumed command and continued the march. We are marching two abreast down Western Avenue. The line is over three blocks long. Onlookers cheer us. It is an inspiring sight. A sea of white faces. White brothers and sisters, marching together into history. No trouble until we enter the nigger ghetto. We run into insults and obscene remarks. No real trouble yet. Suddenly, several nigger punks try to attack the rear of our line. The rear is the most vulnerable section of the march. The police, 700 strong, bust a few nigger skulls. This takes the steam out of the coons. A sneak attack! Some niggers hurl vials of sulphuric acid at the marchers. 15 persons are burned by acid. Two of those burned by acid are policemen. In spite of acid attack, the White people's march continues. We are determined this day to march no matter what the consequences are. As we march, we chant. The air is shattered by hundreds of White voices. The niggers can hardly believe their eyes. The march ends at its starting point, back in Gage Park. By this time, our ranks have swelled and a huge crowd gathers to listen to interviews given by John Patler and Chris

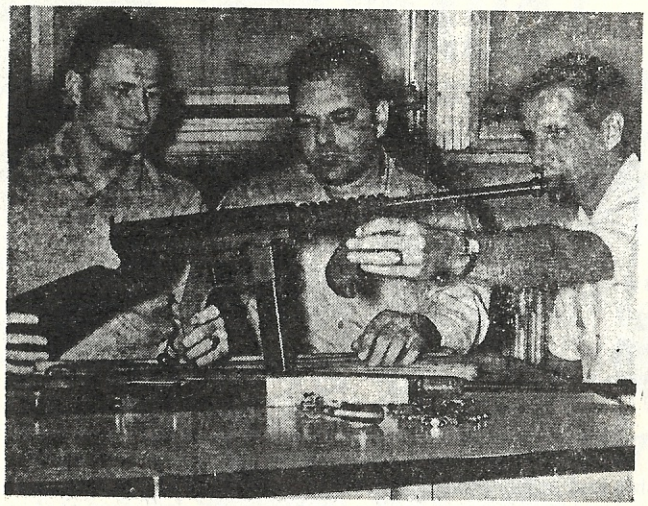
Vidnjevich. Everyone is proud and happy. We made it!

Sept. 14: Judge Sam Perry of the Federal Court issues a temporary restraining order against the Party, enjoining us from marching into a Jew neighborhood that we announced a few days before. The Jew War Veterans are after us with blood in their eyes. They are out to stop us and deny us free speech, the right to march, etc.

Sept. 15: Police pull a raid on the Chicago headquarters. Weapons are seized and the newspapers and other news media play it up big.

Sept. 17: Another raid! This time the streets are clogged with police wagons, lights and sirens going full blast. The whole neighborhood turns out for the event. Chris Vidnjevich is arrested. He has been sentenced to six months in jail by a Circuit Court Judge for contempt of court because he refused to permit building inspectors to inspect the HQ. The politicians and the Jews have already closed down one other HQ because of so-called "violations". No sooner do we fix and correct the "violations" than they find another couple of thousand dollars worth of "violations". Chris is off to jail. That same evening, another raid with twice as many police. The police bust in and take over the HQ and don't even permit us to use our own phone. Captain Patler returns and talks to the Sheriff's aide in charge of the raiding party and the police leave. Everything is quiet again. Commander Rockwell places Patler in charge of HQ and gives him the job of getting Vidnjevich out of jail. The Commander leaves Chicago for Boston to speak at the Harvard Law School.

Raiders Seize Nazi Arms



SEMI-AUTOMATIC weapon resembling machine gun was among arms confiscated by police last night in a raid on Nazi party headquarters here.

During the next two weeks, we appear in three different courts to dispose of charges against the Commander and the Party and to have Chris Vidnjevich and John Wallace (who was arrested with Chris) freed. We must appear as our own counsel in court since most of the time we are unable to afford an attorney. The Commander has become an excep-

WHITE POWER!

tional "lawyer" and it is a great experience to see him get up in court to argue his own case. Many lawyers have commended him for his presentation and knowledge of law. In several of the cases, we manage to find lawyers who will defend us.

Sept. 21: The Jew War Veterans are granted a permanent injunction against the Party limiting our activities and ordering us not to demonstrate less than 1/2 mile from any synagogue. We must now make an appeal to the U. S. Court of Appeals. Victory is assured, since the injunction is illegal and unconstitutional. It will cost a lot of money and will involve lots of hard work, but we will win in the end.

What we accomplished in Chicago is proof enough of our ability to win and lead the masses. With only a handful of dedicated Party comrades, we accomplished miracles. We gave White people all over America and all over the world an example to follow. We showed them what can be accomplished when White people stop running and start fighting back. Chicago was the beginning of the end of the filthy Black communist revolution in America. We've started the ball rolling. And, we are ready now, for anything the Jews, commies or niggers can throw at us. It is only a matter of time before our 160 million White brothers and sisters here in America get angry enough to deal with 20 million niggers, Chicago style. Our day is coming!

U.S. Nazis Declare War Against Peace Creeps!

All over America, the peace creeps and draft card burners are on the march. They march, with their beards, looking like a bunch of bums. At night, these beatnik traitors call up the wives and mothers of soldiers serving in Vietnam. They threaten the families and when a soldier is killed fighting the commies, these same peace creep scum again call up and say how happy they are to hear of the soldier's death.

These creeps work day and night to help the Communist enemy. They carry Communist North Vietcong flags. They want a commie victory and the withdrawal or death of U. S. soldiers. These creeps even try to stop troop trains and supply trains. A stab in the back is what our U. S. troops are getting from the peace creep traitors.

GET OUR BOYS OUT OF VIET NAM AND GET THE A-BOMB IN!

The American Nazi Party has wasted no time in attacking and fighting the peace marchers and draft card burners. Nazis have torn down dozens of commie banners, busted up peace rallies and have waged an unrelenting war against all peace creep traitors in the U. S.

All over the country, the American Nazi Party has stepped up its campaign against the peace creep

American Nazi Leader Speaks in Seattle

George Lincoln Rockwell, who calls himself the leader of the American Nazi Party, spoke from a platform atop his camper truck yesterday in the Westlake Mall. An assistant was on a platform below him. A Monorail train rumbled overhead. Although Rockwell had said earlier he would not tear up Viet-Cong flags displayed by demonstrators, he did destroy such a banner held up by a heckler.

movement. In Washington, D. C. peace creeps marched pass the White House and then gathered in the Sylvan Theatre at the Washington Monument. The peace creeps heard speakers such as Dr. Benjamin Spock and Norman Thomas.

Two members of the American Nazi Party attacked a group of marchers from New York who were carrying Communist Vietcong flags.

The two Nazis were identified as Grant Martin, 18, and Marlin Thomas, 19. Park police turned Thomas, a marine, over to military authorities. Thomas was later released without charges.

In Boston, Commander Rockwell led a motorcycle caravan organized by Francis J. Smith, to Portland, Maine, to lay a wreath in the Atlantic Ocean in memory of our fighting men in Vietnam. The Commander traveled in an open convertible followed by twenty motorcyclists wearing swastika armbands.

During a speaking tour across the country, the Commander spoke at a mass rally in Seattle, Washington. Over 500 persons listened to Commander Rockwell and other American Nazi speakers attack traitors and peace creeps. At one point, during Commander Rockwell's speech, a man began waving a Communist Vietcong flag. Onlookers snatched the flag. Others stamped on the flag. Then another man snapped the flagstaff and the flag passed into the camper.

The Commander then ripped the flag into shreds, amidst loud applause from the crowd.

In New York, it was another bad day for the peace creeps. Paint was thrown at peace marchers who marched down Fifth Avenue. Items such as eggs, beer cans, bottles and assorted garbage were thrown at the creeps.

Also in New York, charges were dismissed against Commander Rock-

well for "disorderly conduct" back in 1960, when he was attacked by a mob of Jews during a TV interview in the Supreme Court rotunda in Manhattan. The Commander, who was being attacked, was arrested.

In Chicago, James Hahenberg, 19, stationed at the American Nazi Party headquarters in the Windy City, was arrested when he attacked a peace creep march.

In California, a street fight broke out between Nazis and peace creeps. Captain Forbes, PT Smith, PT Kirstein, PT Stewart, PM Meistand and PM Young demonstrated in Santa Barbara in a sound truck denouncing the peace movement.

The mob that gathered around the Nazi pickets was incited to violence by several Jews who began shouting "Kill the Nazis! Let's get 'em!"

JenkinsHome Is Picketed By 4 Nazis

AUSTIN — (AP) — Four uniformed American Nazi Party members from Dallas picketed the fashionable West Austin home of former White House assistant Walter Jenkins Sunday.

Their leader, who gave his name as Jerald T. Walraven, carried an American flag. The rest carried placards.

About 20 spectators, mostly newsmen, police, Secret Service agents and FBI men, watched.

ASKED WHY the Nazis chose Jenkins' home for a demonstration, Walraven said, "We want to bring to the attention of the public that types like Walter Jenkins, Bobby Baker and Billie Sol Estes—

Jenkins resigned as a White House aide after his arrest in 1964 on a morals charge.

NAZI CASUALTY—Nazi Capt. John Patler, is aided by comrades after getting knocked off porch by rock that hit him in right eye. Patler, editor of Stormtrooper magazine, was a main speaker Friday night at an outdoor meeting at El Monte Nazi headquarters.

✝ HERMAN J. KUPPERS

Party Comrade Herman J. Kuppers passed away at his home in Franklin, North Carolina on 29 September. He was 76 years old.

Mr. Kuppers had been a member of the Party for nearly five years. During that time his faithful and devoted efforts in furthering the National Socialist Cause exceeded those of many a comrade half his age. Despite his years, he was a tireless recruiter for the Party. It was largely due to his sacrificial support that the Commander was able to enter the Virginia gubernatorial campaign last year.

Mr. Kuppers was a native of Bloomfield, Indiana. In 1912 he graduated from Purdue University with a Bachelor of Science degree in Agriculture. During the First World War he was an artillery captain in the U.S. Army. He was with the U. S. Rubber Reserve Corporation as a Division Manager in Haiti in 1943, but resigned in protest over the waste and corruption he found in a rubber-growing program. It was in Haiti that he began a first-hand investigation of the Negro Problem which led him to his strong racial convictions. From 1944 to 1946 he served with the Institute of Inter-American Affairs in Washington, D. C. After the war he took up organic farming.

Mr. Kuppers is survived by his wife, Edna, two sons, two daughters, 21 grandchildren and two great-grandchildren. We extend to them our heartfelt condolences.

In bidding farewell to Mr. Kuppers, we know that his example of faithful service and devotion to duty will continue to provide renewed inspiration to National Socialists everywhere.

A terrific fight broke out. Captain Forbes was struck from behind, stunned by a rabbit punch. Jews and creeps jumped on his back. Captain Forbes got back on his feet and tore into the mob. Trooper Kirstein knocked one punk cold. Trooper Stewart, who weighs 120 pounds, landed karate blows on at least a dozen creeps, including the instigator. Stewart sent one big Jew running down the street, holding his ear, screaming in mortal pain.

San Francisco

In San Francisco, Lt. Allen Vincent led a demonstration in front of City Hall. The Nazis held a giant banner which read "White Man Fight! Death to Communist Scum!"

In El Monte, California, during the Commander's speaking tour, Captain Patler was hit in the eye while speaking before a crowd during a night rally. Police later apprehended the rock thrower.

The Party has now acquired a five-acre tract of land deep in the Spotsylvania woods of Virginia. A complete printing facility, with the latest equipment, has been set up. Living quarters and print shop are housed in a 110 foot cement building.

The local people have been very friendly to our boys, even giving them food from their own gardens. In fact, Lt. Drager says he has never met better people than the people of Spotsylvania. The men have also built a pistol range and a rifle range at the camp. Last June, the Commander spoke to a public meeting of local citizens. Over 200 people attended.

.....

The ORDER DEPT. has been moved to Dallas, Texas. All sales and orders will be handled from Dallas. All contributions to the Party should still be sent directly to Arlington.

LT. FRANK DRAGER ON HIS HORSE, WARNS POPULATION

When the niggers announced a 14-mile march throughout Alexandria and Arlington for "open housing", the men at National Headquarters went into action.

Lt. Frank Drager, stationed in Spotsylvania, came to Arlington riding a white horse. He rode throughout the Alexandria and Arlington communities, in advance of the nigger marchers, to warn the population that "the niggers are coming". The scene reminded everyone of another famous ride taken by Paul Revere when he rode through New England warning the people that "the British are coming".

Lt. Drager and his white horse were welcomed by many of the local citizens. Arlington local laws made it necessary to pick up after the horse, so one of the Stormtroopers, dressed in black face and carrying a shovel, followed Lt. Drager and the horse to scoop up the manure and deposit it in a burlap bag labeled "drop-outs".

Headquarters also staged a White People's march along the same path used by the niggers. People traveled from as far away as Norfolk, Richmond, New York and New Jersey to participate. The Nazis also grabbed the niggers' favorite picketing site in front of a local realty office. This particular action seemed to annoy the niggers. There were only a few minor incidents. A scuffle between one of our women sympathizers and a chubby woman dressed in pants from the nigger group. During a rally held in a local park in Arlington by the niggers, several Nazis got into heated debates with coon members of a gang called the "Diplomatic Gents" who were on hand to "protect" the nigger marchers.

FREE RUDOLPH HESS!

THE MAN THEY FEAR TO FREE

LONDON, Sat. — Pathetic words written by the deputy fuhrer of Hitler's Germany stirred the sympathy of Europe this week.

Rudolf Hess, who has been in prison for 24 years eight months, wrote them to Wolf, his son:

"I am alone in my cell. How I would like to have you near me as you were when you were small. It is hard for me to realise that now you have become a man."

RUDOLPH HESS . . . doomed to die in jail.

And may never be told. There is no doubt Hess flew on a peace mission but it has never been established if he had Hitler's authority for the journey.

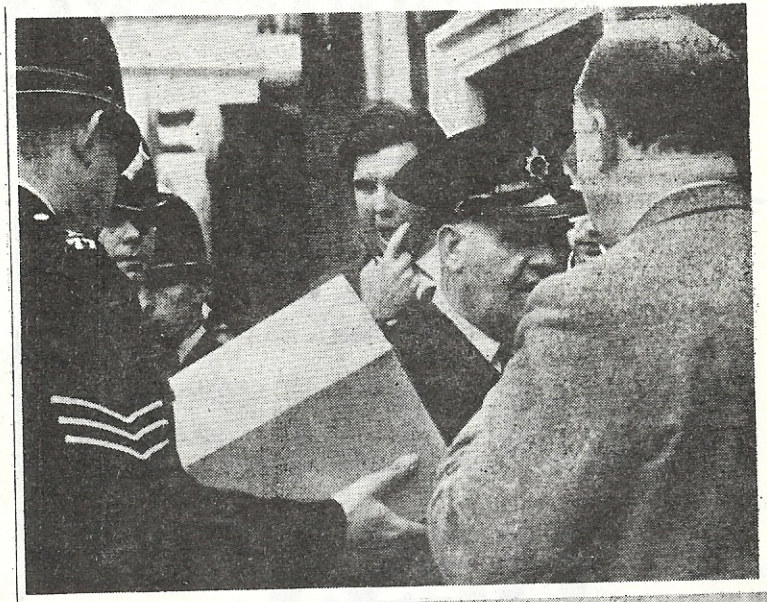
Churchill called

British Nazis

The NSM spectacularly presented its demand for the release of Rudolf Hess during the first part of July at the Royal Show in Stoneleigh, Warwickshire. The action came as part of this year's special campaign by the World Union of National Socialists, marking the 25th year of Rudolf Hess' continued imprisonment.

Thousands of persons from Britain and abroad attending the Show--this country's chief agricultural event each year--found NSM "Free Hess" slogans with swastikas painted on bridges, walls and the back of road signs on all approach roads in the area. For five hours before the arrival of Princess Margaret for the event, workmen were busy trying to remove slogans from the road signs.

Numerous newspapers mentioned the incident, as did the BBC in one of its news bulletins. The "Coventry



Mr. Colin Jordan, leader of the National Socialist Movement (back view, right) talking to a police officer outside Marlborough House, London, while the Commonwealth Prime Ministers conference was in progress. He had just returned the Zambian national flag in the box held by the police sergeant. The flag was removed the day before from Parliament Square, where it was hanging with flags of other Commonwealth countries—in protest, said Mr. Jordan, against Zambia's attitude to Rhodesia.

Zambia flag stolen—up goes swastika

THE Zambian flag was stolen from its flagstaff in Parliament Square today.

The flag has flown there with those of other Commonwealth countries during the Commonwealth Prime Ministers' conference.

The flag was replaced by a black pennant carrying the words in white: "White Rhodesia NSM." There was also a swastika

Workmen, armed with scrubbing brushes and soap powder, cleaning the base of Lady Godiva's statue in Broadgate, Coventry, which was daubed with political slogans during the night. The daubings, in blue paint, covered the words of Tennyson on two sides of the stone base.

Hate campaign

LONDON: Britain's top nazi, Colin Jordan has personally stepped into a hate campaign against England's first colored policeman, a West Indian.

The man, former export clerk Ralph Ramadhar, 29, starts his training with the Birmingham police force next month.

Swastikas and race hate slogans have been painted on the police training centre.

Jordan has sent Ramadhar a letter telling him to give up his "ill-advised ambition" of becoming a policeman in a white nation.—AAP-R.

COLIN JORDAN

Evening Telegraph" reported: "A squad of RAC patrolmen were kept busy today covering up Nazi and Fascist markings on temporary road signs, many of them along the Princess' route to the show. The markings had been daubed in paint during the night. An RAC spokesman said: 'We estimate that about a quarter of the 1,100 signs we erected in connection with the Royal Show have been damaged. We have had reports from as far afield as Leamington.'"

Old Soldier Passes Away

One of the most faithful old fighters of Adolf Hitler has joined his faithful comrades. On 22 April 1966 Sepp Dietrich passed away.

Dietrich joined the National Socialist movement during the early years of struggle, and was chosen to head Hitler's personal body guard.

After the war Dietrich was sentenced to death for so-called "war crimes", but his sentence was later commuted to life imprisonment. After serving nine years, he was finally released by the Americans in 1955. The Bonn government brought new accusations against Dietrich, and he was again imprisoned for several years. Following his release he was the subject of harassment and persecution by authorities until his death at age 74.

Italian Nazis

Popular sentiment for National Socialism was expressed in several Italian cities recently. In Florence swastikas and the messages "Free

Rudolf Hess" and "Long Live Hitler" were neatly painted on public buildings, including the famous Uffizi Art Gallery. In the northern Italian town of Parma swastikas and slogans in praise of Adolf Hitler were discovered on public park walls. Police were reported unsuccessful in their investigation of the incidents.

Meanwhile in Milan the Giovanni Preziosi Center for Studies and Documentation has produced an Italian translation of Prof. Paul Rassinier's devastating book, Le Mensonge de Ulysse (The Lie of Odysseus). The work has been issued by the publishing house, Le Rune.

Prof. Rassinier's book completely shatters the "6,000,000 Jews" myth, along with that of so-called "Nazi crimes". No one can question Prof. Rassinier's motives in writing such a book: he himself was a leftwing socialist who was arrested and sent to Buchenwald because of terrorist activity with the French Resistance during the war. In other words, he was one of the so-called "Nazi victims". But despite his political error, Prof. Rassinier was basically an honest man. He was shocked by the monstrous flood of lies the Jews poured forth after the war about so-called "Nazi concentration camps". He decided to establish the truth, based on his own personal experiences; and so he wrote this remarkable book.

Jew Agent Punched Out

MONTEVIDEO, Uruguay: Herbert Bittner, secret agent of an international Jewish organization with headquarters in Hamburg, Germany was recently found here, bound, gagged and severely beaten. A note was tied to Bittner's back which read: "Let this be a lesson to all Jewish agents, so they will mind their own business. Heil Hitler!" Bittner was reported in critical condition.

Givens subpoenaed by Nazi as witness

John Beattie, leader of the Canadian Nazi Party, recently spoke in a public park in Toronto amidst the screams and cries of thousands of Jews. The Jews never protest against Communist speakers.

The Jews even organized a march demanding that the Nazis in Canada be silenced. "No Free Speech For Nazis" was their slogan. Thus we see the real face of the Jew.

Photos and news clips show John Beattie's latest efforts in the struggle against Jew tyranny.

Nazis meet on Niagara bridge

Special to The Star

QUEENSTON—The leaders of the Canadian and the American Nazi parties met yesterday high over the middle of the Queenston - Lewiston bridge.

Unable to cross the other's border, William John Beatty and George Lincoln Rockwell and their followers held a half-hour conference in the no-man's-land between the U.S. and Canadian immigration gates at each end of the international bridge.

Beatty said later in Toronto that the conference was to lay the groundwork for a world Nazi congress to be held in Canada in about six months.

The meeting would be attended by National Socialist delegates from the United States, South America, Britain and Europe.

Rockwell, described by Beatty as the "international commander," arrived on the bridge with his deputy leader, Col. Alan Welch, in a pick-up truck towing a camp trailer.

Beatty arrived at the middle of the bridge in a Volkswagen with a party member, Robert Joseph Wood.

Beatty and Rockwell then entered the camp trailer for a cup of tea and a conference while the vehicle was pulled to the customs parking lot at the U.S. end of the bridge.

Commander's article continued from p.4

One of the first things I learned in the old Navy--before it became all fancy-pants and "nice"--was that you should never point a gun at anybody unless you intended to shoot him.

Police know this well and in any court in mob control are warned not to make threats which cannot or will not be carried out.

All they had to do yesterday to maintain law and order and prevent all the property damage and injuries (one Jew died of a heart attack), was to show up in the first place (as the Chicago police force does in similar situations) with about 500 thoroughly battle-ready police and let the crowd know that the first breach of the law would result in arrest and action, no matter how much force were required to effect the arrest.

Instead, the San Francisco police made it very, very clear to the mob that they were afraid to act to stop violence, until it was already too late. And then they had to pound heads. And even then that didn't do any real good.

Much of the American populace has become a mob of "spoiled brats" who run into the streets screaming and rioting anytime they don't get their way--holding grownup tantrums with bricks, rocks, fire bombs, bullets and bloodshed. But our Government, from Washington on down to the politicians in San Francisco, is too foolish, infiltrated and plain chicken to do its duty.

The fault lies, not with our cops, who are still well trained and courageous, but with the miserable, cowardly politicians and most political groups on both the right and left, who are scared to death to stand up for the use of force and discipline when needed. Not only do the Reds, Jews, coons, etc., preach "freedom" and "love" and "liberty"--but so do all the rightwing groups preach more "freedom" and "individual liberty" and "less government".

Hell, we don't have any more real "government".

When a government will not stand up to and smash those who openly defy it, that government is gone. It may hang around for awhile, but sooner or later, mob rule will smash it--which is exactly what the Reds are doing in the U.S.A right now.

If the rightwing had the guts to do it, they could get rid of Earl Warren, for instance, the same way the Reds broke every law and shut me up yesterday. If the whole Birch Society would gather on the Supreme Court steps, a hundred thousand of them or so, and rampage around there long enough, camping on the lawns, etc., and mob any police who showed up to stop them, our yellow government would finally and quietly find a way to get Mr. Warren to report in "sick".

However, that's too "rough" and "nasty" for our "patriots".

But it ain't too rough and nasty for the enemy. And that's how the enemy is winning.

The American Nazi Party will never stoop to the violence and filth of the scum enemy, but we will stand up to them in the streets (where they are actually winning their victory, until there are tens of thousands or more in our mobs than in their mobs. Then we shall see who dares attempt to stop even the least of our people by force and violence!

When a government permits its law-abiding citizens to be mobbed, and refuses to call to account those who break the law because the criminals have huge mobs on their side, then it is the business of honest citizens to get RID of that miserable, cowardly government.

And that's exactly what we can and must do by uniting our vast American majority of White Christians into a legal political party against these spoiled and vicious so-called minorities. And the only way that can be done is by an honestly RACIST party, a party of WHITE POWER!!!

And the only such party with the guts to fight this scum in the streets, is the AMERICAN NAZI PARTY!!

With the help of God, and the brave men and women--and kids--all over America, we are in the process of building that WHITE POWER!

Already, Chicago has shown that when our side gets mad enough, the Red mobs have to scurry for cover.

Two Jews who tried to interrupt our "White Power" rally in Chicago, when 2,000 White people were cheering me, almost got killed!

In two years, any Red mobs who show up to interrupt us--even in Commie-ridden San Francisco--will find, not just 26 gallant young Stormtroopers fighting them, but tens of thousands of White Men who have had enough, and will show these Red, Jew, nigger and Zionist terrorists that White Men, too, know something about violence and terror when they are attacked!

White Power!

Whiteman Comics

Dear Sir:

Your comic strip "Whiteman" was terrific. This is the kind of material we need to win the attention of the present generation.

Most people are too lazy to read anything. Very few people actually "read" at all. So, therefore, pictures in place of words to relay a message become an absolute necessity in the present battle for men's minds.

Dear Sir:

"Whiteman" is a smash! Keep stuff like this coming. I showed "Whiteman" to my friends at work and they couldn't stop laughing. A comic like "Whiteman" really gets the point across. People are interested in it.

Dear Sir:

I cannot understand why a great and powerful nation like America, with all its modern military might, cannot destroy a bunch of Communist jungle bandits.

Something is rotten in Washington. No American should have to die when we can win that war overnight by exerting our strength.

I wish that more White Christians could have seen the Negroes' idea of brotherly love, which I saw in Chicago.

During Commander Rockwell's peaceful march through a Negro area of Chicago, about 500 White Chicagoans were met by rocks and acid. Two policemen were badly burnt by the acid and 13 marchers were hurt.
